

Non-Immigrant Pupils

The Board of Education directs that the Superintendent not accept any new alien students on non-immigrant "F-1" status. Accordingly, the District may not complete the United States Department of Justice, Immigration and Naturalization Services Form 1-20A, "Certificate of Eligibility for Non-Immigrant F-1 Student Status."

Further, alien students in the U.S. on "visitors" visas may not be enrolled in schools in the District.

The policy does not extend to the very few "F-1" students enrolled in the District prior to September, 1971, nor to recognized exchange students nor to those possessing "permanent residence" visas.

Any questions in this matter should be referred to the Office of the Superintendent.
