

*Selection of Athletic Team Captains*

The purpose of interscholastic athletics is to complement and supplement the students' educational program, instructing students in good sportsmanship, ethics, teamwork, leadership and physical skills development. The selection of athletic team captains should be fair and equitable, and supportive of the purposes of the program.

The coaches of each athletic team shall develop procedures for the selection of the team captain(s). These procedures shall also include the method for removing a captain.

The procedures and criteria to be used for the selection of captain(s) for each athletic team shall be submitted to the Athletic Director for review. After review and approval by the Athletic Director, the procedures shall be submitted to the Assistant Superintendent for Curriculum and Instruction for review and approval.

The final written procedures for selection of the team captain(s) shall be provided to students and parents at the start of the applicable athletic season.
