

**Newburgh Enlarged City School District
2015 DTSDE Survey
Gardnertown Fundamental Magnet School**

Diagnostic Tool for School and District Evaluation (DTSDE) Tenets

- 1) **District Leadership and Capacity:** District leadership examines districtwide systems and makes intentional decisions to identify and provide critical expectations, supports and structures in all areas, so schools can respond to their community and ensure all students succeed.
- 2) **School Leader Practices and Decisions:** Visionary leaders create a school community and a culture that lead to success, overall well-being and high academic achievement for all students via continuous and sustained school improvement.
- 3) **Curriculum Development and Support:** Each school has rigorous and coherent curricula and assessments for all students that are appropriately aligned to the Common Core Learning Standards and modified for identified subgroups to maximize teacher instructional practices and learning outcomes.
- 4) **Teacher Practices and Decisions:** Teachers engage in strategic practices and decision-making to address the gap between what students know and what they need to learn, so all students experience consistently high levels of engagement, thinking and achievement.
- 5) **Student Social and Emotional Developmental Health:** The school community identifies, promotes and supports social and emotional development by designing systems and experiences for all students that lead to healthy relationships and a safe, respectful environment conducive to learning.
- 6) **Family and Community Engagement:** Each school creates a culture where families, community members and school staff work together, sharing the responsibility for student academic progress, social and emotional growth, and overall well-being.
