Read for the Gold

RETURN CALENDAR TO NWS NO LATER THAN: FRI., DECEMBER 2ND

November 2016

Our PARP theme this year is Read for the Gold. Since the Summer Olympics just took place in Rio de Janeiro, let's take a look each month at topics related to the Olympics.

Only Greek citizens could compete in the earliest Olympics. Each city-state chose its own athletes to send to the Games. Some were simple shepherds or fisherman. Others were powerful generals or businessmen. Their skill in sports made them all equal at the Games.

There were a lot of wars in ancient Greece. In order to hold the Olympics, all wars had to stop. A truce was called (a truce means no fighting!).

Athletes trained 9 months before the Games began. Even so long ago, the athletes had trainers.

Please read for 15 minutes minimum of 16 days each month and initial the boxes on the calendar
