We are still taking new memberships!

Dear Balmville Families,

A few items:

- During these unprecedented times and in light of the COVID-19 pandemic, it is critical that any end of year building activities be kept to a minimum – to those, which are essential for the operations of the district's buildings and its necessary programs and functions. Therefore, you have been contacted by your child's teacher and have indicated you need certain items returned. These items have been bagged and will be distributed through the drive-thru parent pick up line on June 15, 2020, based on the times and procedures below:

Balmville Elementary School Parent Monthly Newsletter - June 2020

Pick up will be curbside between 8:30 am and 2:00 pm. In an effort to keep the line of cars running smoothly, we ask that you display your child's first and last name on your vehicle's front and rear passenger window. Please write clearly and large enough to be read from outside your car. In an effort to maintain safety for all involved, we ask that this pick-up be contactless and families remain in your car. Staff members will wear masks. Please only enter from the lower parking lot entrance and enter the line up in the back of the school in an orderly manner. A staff member will radio ahead your child's name and take any materials you are dropping off (If you have a library book at home we ask that you return it during your allotted time by just handing it to staff through your window). At the front entrance, open your trunk or rear passenger window/van door, so that we can place items into your vehicle without contact.

If you are moving out of the district, you must return any library books, instruments, laptops, or hotspots and can do so anytime between 8:30-2:00. In addition, if you are only picking up medication the nurse will be on site to distribute between 10am -12pm, please contact her directly at rbeveridge@necsd.net. Town of Newburgh Police will assist with the busy exit by 9W. Thank you in advance for cooperating with this request and if you have any questions or concerns regarding the process please email lbuon@necsd.net

2. Report cards will be mailed home. If you are a fifth-grade parent please contact our PTA regarding t-shirts. Please be on the lookout for ESYF invitations.

Congratulations to our retirees: Ms. Beverley Johnson, Ms. Jayne Prechtel & Ms. Robin Beveridge. We wish them the best!

Congratulations to all our scholars as they move to their next grade level! Grade 5 Scholars will be celebrating their graduation in a Virtual Yearbook and Kindergarten scholars completed a Moving Up video celebrating their kindergarten experience! We are proud of you, we love you and wish you the best on your educational journey! Balmville staff wishes everyone a safe and healthy summer!
