## A MESSAGE FROM PRINCIPAL GLASCOTT

I want to start out by saying it is so great to be back at NFA. While I was out, it made me realize how much I missed seeing our incredible scholars and staff each and every day.

As always, safety and security are the top priority of the building. I would ask if you could please have a conversation with your student about a few important topics. All students should have their ID's with them on a daily basis and they should be visible at all times. It is also important that students wear their masks over their nose and mouth. Finally, please encourage your student to get to their classes on time.

I will be sending out a weekly newsletter to keep everyone updated on all the wonderful things that are happening in the building. **We will continue to strive to be the best school in the Hudson Valley!**

If your child has not done so already; please have them meet with their counselor as soon as possible to discuss post high school plans. **Some quarter 1 highlights - our senior class had 282 students make honor roll, 306 students with excellent attendance, and 29 students with perfect attendance. ## EVENING HIGH SCHOOL - CREDIT RECOVERY/GED PROGRAM

We are currently campaigning to get the word out to the Newburgh community about the NECSD GED program for students who are 16-21 years of age. Evening School will also be offering Credit Recovery classes during Semester 2. Check out what we have to offer [HERE](#) and if it sounds like something you are interested in, please give us a call at 845-563-5522 or email Sandra Wood, EHS House Principal, at [swood@necsd.net](mailto:swood@necsd.net).

In collaboration with NFA Administration and School Counselors, we are eager to help students find a pathway that works specifically for them in order to cross Academy Field with a High School diploma.
