## GOLDBACK

### NFA Boys Soccer Heads to Section Finals Tonight!

After a truly dominating season our NFA boys soccer team is headed into the Section 9 finals tonight taking on Kingston, at Middletown High School. The game is slated to start at 6pm.

Our Goldbacks have had an amazing season so far, outscoring opponents an impressive 63-10, and showcasing one of the most balanced and explosive lineups in the region. The offense has been incredible, led by the trio of Pietro Altamirano, Chase Marshall, & Ian Garcia whose agility and speed have powered the Goldbacks all season long.

On the other end of the field, the

defensive unit has been equally impressive, anchored by standout goalkeeper Isaac Ortega, who has recorded an incredible 40 saves while maintaining composure and leadership in every match. Tonight's matchup represents the culmination of months of hard work, discipline and team chemistry. As the highest-ranked Section 9 team in the state, NFA looks to finish the job and bring home the title!
