PLAYER AND TEAM HIGHLIGHTS

Baseball

NFA Boys Baseball spent spring break in South Carolina. The team began the week with a 3-1 Win over Loris Lions Varsity. Tyler Slaughter was the winning pitcher for the Goldbacks allowing just four hits. John Ahern, Tyler Martin, Tyler Cross, Anthony Manzi, and Dylan Iorlano each had a hit for the Goldbacks. Throughout the week the team played several competitive games against teams that will help prepare the goldbacks for a run at the Section IX Title.

Girls Lacrosse

The Varsity Girls Lacrosse team is off to a strong start this season with a 2-2 record thus far. Our first victory was a fight in overtime vs. Middletown followed by a 18-0 win over Yonkers during spring break. We have put 32 goals in the opponents net and goalie Thalia Santiago has saved 54 shots in just 4 games! Come support your lady goldbacks on May 6th as we take a shot at mental health in our dedication game to "Morgan's Message."

Boys Lacrosse

The 2022 Boys Lacrosse Team currently has a record of 1-2. Their first two losses were against Highland and ValleyCentral who both have outstanding lacrosse programs. They picked up their first win of the season against Middletown and dominated the game winning by a score of 16-3. The top scorers from that game were Mike Vasquez, Damien Burns, and Angelo Reade. Anthony Vasquez also played a terrific game in the goal to help ensure the goldbacks picked up the win. This year the team is senior heavy with 12 out of 18 being seniors, the goldbacks are hoping to use their first win against Middletown as motivation on their quest to pick up the teams first ever winning season.

This year our team has over 60 members, which includes many veteran athletes as well as some who are new to the sport. While we are saying goodbye to 13 seniors this year, we are welcoming several 8th and a bunch of 9th graders who will be with us for the next few years. We look forward to seeing these girls grow as individuals as well as athletes! We also wish the best to our graduating seniors in all their future endeavors! At every meet, our athletes are setting and breaking their own personal best times and distances. They are learning and growing as athletes and stepping out of their comfort zones by trying new events. Even if we don't "win" the meet or place in an event, we are all learning and growing as a team. Coach Workman and Coach Walsh are especially proud of the camaraderie of the track team this year. For the first time, the sprinters, the distance runners, and the throwers have come together as one team.

Swimming

2021-2022 Boys Swimming & Diving season was a success! We finished the season 7-3 with our duel meet record. The early highlight of the season was returning to the NFA Natatorium and being able to train and compete in our home pool. It was a long two seasons "on the road" and it was great to see NFA swimmers compete in the pool at NFA. Our team was very young by varsity standards with only one competing senior athlete but, matured and competed at a high level. The boys continued the long standing tradition of peaking at the Section IX Championship Meet. We had numerous section IX qualifiers with many swimmers making it back to score at section finals and securing personal best times. Two freshman: Jack Mummery and Peyton Tuttle placed top 8 in two individual events respectively. The team finished in a tie for fifth place overall. The future is bright for NFA Boys Swimming & Diving.
