

Social Events and Class Trips

The Board recognizes the value of pupil social events and class field trips in enhancing and enriching the school experience for the children of this community.

The Board will make school facilities available and provide appropriate staff for the conduct of social events within the school facilities which have been approved by the principal, and for social events which take place outside school facilities, approval is required by the Board.

As voluntary participants in school social events and class trips, pupils shall be held responsible for compliance with rules set forth for their conduct, and infractions of those rules will be subject to the same disciplinary measures as are applied during the regular school program.
