

# Newburgh Enlarged City School District Parent Training

## Let's Get Visual! An Overview of Creating and Using Visual Supports

*Training by Anderson Center Consulting*

This training is offered by Newburgh Enlarged City School District through Anderson Center Consulting's online learning management system.

Through this training, parents/caregivers will learn how to utilize visual tools to support skill acquisition and independence for their children. A framework is provided for understanding the different formats for visual supports. Tips and strategies are offered for how to effectively use visual supports to establish boundaries and organization, to provide cues, to establish schedules and routines, and to supplement social development.

### Training Objectives:

- To learn the importance of using visual supports
- To learn about types of visual supports
- To learn how to use visual supports
