Universal Pre-Kindergarten

Full day Pre-Kindergarten for any student residing in the Newburgh School District who will be 4 years old on or before 12/1/20.

The NECSD Pre-Kindergarten Program is designed to develop school readiness and facilitate a greater success with your child's transition from preschool, kindergarten and early elementary education.

- Highly qualified staffing
- Low student / staff ratio
- High quality learning environments with well-equipped learning centers
- Developmentally appropriate curriculum and evidence-based assessment
- Daily schedules with a balance of intentionally planned, active and quiet play, gross motor activities, as well as individual and small group activities

Option #2- If you can provide your own transportation, you can choose a Pre-Kindergarten site at one of our community partner agencies and enjoy all that our Pre-Kindergarten program has to offer plus some flexible options as needed.
