

# WHAT'S THE NEWS?

## FAMILY FUN FIELD TRIPS

Our families had a great time exploring health and wellness through physical activity at Bounce Trampoline Park 2 Neptune Road, Poughkeepsie, NY 12601. *Due to the large number of families who confirmed participation in the last two field trips but did not attend those trips and the high number of students leaving program early we will not be able to schedule another field trip this year.*

SUMMER PROGRAM THROWBACK

## SPRING ROTATION DATES

The spring rotation runs from March 10, 2020-April 30, 2020. Programs will be closed Programs will be closed on March 19, 2020 and between March 31, 2020-April 9, 2020 for Spring Break. Programs resume April 14, 2020 and will run through April 30, 2020.

## ATTENDANCE REMINDER

Students need to attend all three days of programming and stay the full two hours in order for us to maintain our funding for the After-School program.

## ALTERNATE BUS STOP REMINDER

If you need an alternate bus stop for your child, you need to send in an additional form specifically for 21st Century. The form put in for the regular day will not carry over for the after-school program.

## LIGHTS ON QUOTES

"The program is helping my child stay focused."

"This program helps my son stay engaged in many areas that interest him. He enjoys the interactions with other students and teachers."

"I like that this program provides a safe environment for my son to interact with other kids and get help with his school work."

Follow us on Facebook @21CENTURYNECS D where we'll be featuring community members and volunteers participating in the 21st Century Program.
