Announcements:
<ul style="list-style-type: none"> ● Please remember to sign up for our 21st Century After School Program. ● We want to stress the importance of sending your child to school every day possible. We know that just a few missed days here and there, even if they're excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success. ● All families should have received their child's progress report. If an immediate conference is requested please reach out to your child's teacher. ● Parent Teacher Conferences are coming up. Information will be sent out shortly. ● SAFETY: When dropping off and picking up your child, please do not park on the side of the road as you will be ticketed.
